About Marian Engineering College

The Marian Engineering College established in 2001 is affiliated to APJ Abdul Kalam Technological University (KTU). The College is being managed by the Trivandrum Social Service Society (TSSS) which is under the control of Trivandrum Latin Catholic Archdiocese. His grace Most Rev. Dr. M. Soosa Pakiam, Arch Bishop of Trivandrum is the chief patron of this college. The college is well equipped and the students are assisted by a team of highly qualified, experienced and talented teachers who constantly strive for academic excellence.

About Computer Science & Engineering Department

The Computer Science & Engineering Department takes pride in being abreast with the latest requirements of the industry and the changing technological environment. The department offers B.Tech course in Computer Science & Engineering and is accredited by NBA. This course emphasizes on both hardware and software with strong foundations in the fundamental areas of Computer Science & Engineering.

About the Conference

The objective of NCSST -2021 is to provide an intellectual forum for researchers, engineers and academics to share their knowledge in the different areas of Emerging Technologies in Smart Systems. It will also provide a platform to get acquainted with latest developments and trends in the Emerging Technologies coupled with their implications for the society. This conference includes:

Call for Papers

The topics of interest included in NCSST 2021 are

Cyber Security

Distributed Computing

Mobile Communication & 5G technology

Artificial Intelligence

High Performance Computing

Grid Computing

Software Testing and Security

Optimizing Technologies

Natural Language Processing

Engineering Applications

Data Science

Data Mining and Data Warehouse

Machine Learning

Internet of Things

Image Processing

Embedded Systems

VR & AR Technology

Deep Learning
