ABOUT THE INSTITUTION

Srinivas Institute of Technology (SIT), Mangaluru, is a unit of the A. Shama Rao Foundation with over 30 years of educational legacy. Located at Valachil on a 15-acre green campus, the institute was established in 2006 with four engineering streams. It is approved by the All India Council for Technical Education and accredited with an 'A' grade by the National Assessment and Accreditation Council. SIT currently offers 13 undergraduate, 5 postgraduate, and Ph.D. programs across five departments, serving more than 2,500 students. The institute focuses on academic excellence through innovation, research, industry interaction, skill development, entrepreneurship, and ethical values, preparing students for responsible professional careers and societal contributions.

ABOUT THE DEPARTMENTS

At Srinivas Institute of Technology, the departments of CSE, ISE, MCA, CSD, AI & ML, AI & DS, CSBS, EEE, and ECE offer a wide range of academic programs. The institute provides UG programs in these disciplines along with PG programs such as M.Tech in CSE, EC, and MCA. The departments are supported by modern laboratories, smart classrooms, advanced computing facilities, high-speed internet, and campus-wide Wi-Fi. Student associations organize technical fests, workshops, and seminars throughout the year. Industry and research MoUs support internships and training. Experienced faculty encourage interdisciplinary projects and research in emerging technologies, while strong placement guidance prepares students for successful professional careers.

CHIEF PATRONS

Dr. A Srinivas Rao
Chancellor, Srinivas University, Mangaluru

CHIEF ADVISOR

Dr. Shrinivasa Mayya D.
Principal, Srinivas Institute of Technology, Mangaluru

CONVENER

Dr. Vinayak V Rao
Professor, Department of AI-DS

CO-CONVENER

Prof. Sudarshan K
Associate Professor & Head, Department of ISE & CSD

ORGANIZING COMMITTEE

Dr. Suresha D, Head, CSE Dept.
Dr. Shashidhara Kim K, Head, MCA Dept.
Dr. Soorya Krishna K, Head, EC Dept.
Dr. Jithendra P R, Head, EE Dept.
Prof. Nagaraja Hebbar N, Head, AI-DS Dept.
Prof. Daya Naik, Head, AIML Dept.
Prof. Sudarshan K, Head, ISE & CSD Dept.
Prof. Shailesh Shetty, Head, CSBS Dept.
Dr. Sandeep Bhat, CSE Dept.
Prof. Rajesh Naik, MCA Dept.
Prof. Gourish Hegde, EC Dept.
Prof. Lokesh Acharya, EE Dept.
Prof. Harshith, EE Dept.

SCOPE OF THE CONFERENCE

The objective of ICRICS-2026 is to provide a platform for researchers, academicians, industry professionals, and students to share recent innovations, exchange knowledge, and foster interdisciplinary collaboration. It also aims to encourage research in emerging technologies, strengthen academia, industry interaction, support advanced studies, and develop innovative solutions addressing real-world challenges and future technological advancements. Research papers are invited in the following tracks, but are not limited to:

- Artificial Intelligence and Computer Vision
- Data Analytics and Security
- Embedded System and IOT
- Renewable Energy and Sustainability

PUBLICATION

All accepted and presented papers will be published in the IJRT. Selected high-quality papers will be recommended for possible publication in a Scopus indexed journal, subject to the journal's review process.

WHO CAN PARTICIPATE?

Research scholars, PG and UG students, academicians, and industry experts are invited to present and publish their work. Original research papers, review articles, and innovative technological contributions in relevant fields are welcome.
