Invitation:

Dear Academicians, Researchers, Industry Professionals

It gives us immense pleasure to cordially invite you to participate in two days national seminar on **"Artificial Intelligence and Machine Learning"** sponsored by Planning & Development under QIP Grant of Savitribai Phule Pune University, scheduled **on 4th and 5th December 2026.** You are requested to attend the seminar for an Interactive Educational Exposition.

About the Institution:

Maratha Vidya Prasarak Samaj was established by Karmaveer Raosaheb Thorat and his supporters in 1914 with the motto "Bahujan Hitaya, Bahujan Sukhaya," which means "For the Welfare and Happiness of the Masses." The main aim of the founders was to provide educational opportunities to the underprivileged sections of society. They believed that education could bring social change and improve people's lives. With the vision and dedication of these pioneers of social reform, the institution grew over the decades and became a leading educational organization. It established a large number of primary and secondary schools, traditional and professional colleges, and management institutes, including the only medical college in the district. At present, the institution provides quality education to more than 218,850 students through its 510 branches, with the support of 11,450 employees.

About the College:

K.R.T. Arts, B.H. Commerce and A.M. Science College (KTHM), Nashik, was established in 1969. It is a premier institution affiliated with Savitribai Phule Pune University and funded by the Government of Maharashtra. The college is managed by the Maratha Vidya Prasarak Samaj and has completed 57 years of academic excellence, with a strong commitment to quality education and inclusivity. The college is spread over a 37-acre campus, with more than 66% green cover. It offers a wide range of programmes in Arts, Science, Commerce, and professional courses. The college has received several prestigious recognitions and accreditations, including NAAC A+ Grade in Cycle IV with a CGPA of 3.47. It has also been recognised as a Mentor Institution under the UGC PARAMARSH scheme and has received support through various schemes, including UGC-CPE, DBT-STAR, DST-FIST, UGC-STRIDE, and RUSA. KTHM College is one of the distinguished educational institutions in Maharashtra. It has introduced modern academic and administrative facilities, including a fully automated library and advanced Learning Management Systems (LMS). With more than 15,000 students, the college provides a diverse and inclusive learning environment supported by experienced faculty members and modern infrastructure. The college focuses on the overall development of students through academic activities, NSS, NCC, sports, and social outreach programmes. Its vision is **"To be an excellent institute of higher education ensuring an environment conducive to teaching, learning, and research."**

About The Seminar:

The seminar on **"Artificial Intelligence and Machine Learning"** aims to explore how Artificial Intelligence (AI) and Machine Learning (ML) are transforming the modern digital world. These technologies enable machines to learn from data, analyze information, make decisions, and solve complex problems. They are widely used in various fields, including healthcare, education, finance, agriculture, manufacturing, cybersecurity, and transportation. Emerging technologies such as Generative AI, Deep Learning, Natural Language Processing, and Computer Vision are creating new opportunities for innovation and research. This seminar will focus on recent developments, applications, opportunities, and challenges in AI and ML. It will also highlight important issues such as ethics, data privacy, security, and the responsible use of AI to build a smarter and more sustainable future.

Seminar Sub Themes:

- **Generative AI and Large Language Models: Applications and Future Directions**
- **AI in Healthcare and Biomedical Applications**
- **AI for Cyber security and Intelligent Anomaly Detection**
- **Hybrid AI, Deep Learning, and Optimization for Intelligent Systems**
- **AI/ML in Education: Personalized and Intelligent Learning Systems**
- **Business and Management for Data-Driven Decision-Making using AI**
- **AI for Smart and Precision Agriculture**
- **AI/ML/IoT for Intelligent Connected Systems**
- **Social Media Analytics and Misinformation Detection using AI/ML**
- **AI/ML for Environmental Sustainability and Resource Optimization**
- **Natural Language Processing and Multimodal AI: Intelligent Data Understanding**
